

The Populist Party:

For this part of the hunt you will search “the populist flint”. In the returns you will see a website that contains a Power Point presentation from the Flint MI, school system. Use this Power Point to answer the questions below.

1. The 4th slide in lists a number of reasons that the Populist Party would gain so much momentum on the national state. Summarizes those reasons. _____

2. The 6th slide in lists the platform (what a political party stands for) of the People’s Party (Populist Party). You need to conduct a secondary search to define for me the following.
 - a. What is a graduated income tax? _____

 - b. What does the word “suffrage” mean? _____

 - c. Why would they call for direct election of senators? How were Senators elected before this? _____

3. Slide 8 offers some an interesting viewpoint compared to the textbook. What is this slide saying about the Populists? _____

4. Stop at slide 9. What does the term “allegory” mean? (if you don’t know use the computer to look up a definition) Record your definition. _____
