	Closure/Review Techniques	
Homework/Individual Practice		Key Terms due Thursday.
Materials Needed / Resources		115 fill in notes 12-2. Article on San Juan Hill. Colored Pencils. Note Cards for MW. Overhead & transparencies. Journal #9 overhead. CIA Fact book packets. Atlas’s. Transparency of NY Times page
Differentiation / Accommodation Strategies		Students will complete the first 3 countries of Cuba, Philippines and Panama leaving out the last 3 countries. Additional time will be given to complete assignment.
Self Reflection: I really like this exercise and it is leading to the writing of the yellow journalism story, which can be written over any of the 6 countries. Students were intimidated by the sheer size of the assignment but once they were working on it quickly realized it wasn’t that bad. Students are making good progress on the whole while some need additional help and attention from me on this one.
